Gradworks Intern Development Program

The Gradworks Intern Development Program is designed to provide recent post-secondary graduates with challenging and career-focused positions within our network of Saskatchewan employers. These full-time internship positions of 12 months in length are intended to allow recent post-secondary graduates the opportunity to gain experience and to develop specific career-related skills. To be eligible for a Gradworks internship you must be a recent college, technical institute or university graduate, have little or no relevant work experience in your field of study and be eligible to work in Canada.

Internship Information – Communications Assistant

SaskEnergy is Saskatchewan's natural gas distribution, transmission and storage company, a provincial Crown corporation with roots of half a century in Saskatchewan. SaskEnergy delivers the benefits of safe, convenient and environmentally-friendly natural gas to more than 343,000 residential, farm, commercial and industrial customers throughout Saskatchewan. We purchase natural gas from independent suppliers and transport it through our 80,000 km transmission and distribution system to 93% of Saskatchewan communities.
