Gradworks Intern Development Program

The Gradworks Intern Development Program is designed to provide recent post-secondary graduates with challenging and career-focused positions within our network of Saskatchewan employers. These full-time internship positions of 12 months in length are intended to allow recent post-secondary graduates the opportunity to gain experience and to develop specific career-related skills. To be eligible for a Gradworks internship you must be a recent college, technical institute or university graduate, have little or no relevant work experience in your field of study and be eligible to work in Canada.

Internship Information –SGI Medical Research Officer

The Medical Research Officer will oversee multidisciplinary rehabilitation centre outcomes data collection and analyze the effectiveness of the treatment provided giving consideration to duration of treatment, costs, and outcomes. The Intern will also support the work of the SGI practitioner consultants by researching various peer reviewed journals to help inform the decision making of the consultants in making evidence based recommendations.

Responsibilities:

- Oversee outcomes data collection & provide analysis using the statistical analysis software SPSS.
- Research various peer-reviewed journals as required regarding evidence based treatment for injuries sustained in motor vehicle collisions.
- Develop and update policies and procedures as required for the No-Fault Injury Program.
- Perform other related duties as required.

Qualifications:

Candidates must hold a minimum of a Bachelor's degree in a Health related field such as Psychology, Physiotherapy, Occupational Therapy, Kinesiology, etc.

- excellent analytical and organizational skills
- excellent written and oral communication skills
- excellent interpersonal abilities
- professional working level application of web browsers and office software applications as well as the statistical software SPSS

Additional Information:

The Gradworks Program supports the values of workplace diversity and employment equity. Applications are encouraged from people of Aboriginal ancestry, persons with disabilities, members of a visible minority and women.

How To Apply:

Please apply through the Gradworks website at www.gradworks.ca using your online cover letter and resume, including references. **Your application will not be considered unless you have submitted both a cover letter and resume. The completion date of your post secondary education must be stated in your resume in order to be considered for the position. Please include the month of completion if your education was completed in the current year.**
