Gradworks Intern Development Program

The Gradworks Intern Development Program is designed to provide recent post-secondary graduates with challenging and career-focused positions within our network of Saskatchewan employers. These full-time internship positions of 12 months in length are intended to allow recent post-secondary graduates the opportunity to gain experience and to develop specific career-related skills. To be eligible for a Gradworks internship you must be a recent college, technical institute or university graduate, have little or no relevant work experience in your field of study and be eligible to work in Canada.

Internship Description: SaskPower Financial Analyst, Emissions Planning & Mitigation

Assist in the development, implementation and administration of business processes that will allow SaskPower to mitigate SaskPower's current and future emission profile; including greenhouse gases and other emissions

Responsibilities:

- Detailed analysis of emissions and cost data;
- Review and summarize news items, periodicals and other information sources on climate change issues;
- Assist with writing information items, briefing notes and reports;
- Assist with file management.

Qualifications:

Degree in Engineering, Business Administration, Commerce, or Natural Science;

- Preference for individuals with good understanding of data analysis including statistics as well as a general awareness of impacts of climate change issues on business planning.
- Effective problem solving skills with close attention to detail.
- Demonstrate excellent oral, written, and interpersonal skills and a desire for continuous formal learning in the areas of leadership, new technologies and business trends.
- Good understanding of Microsoft office; particularly Excel and Word.
- The data analysis aspect of this position calls for a person who is analytical, structured and enjoys working with detail.
- The project development aspect of this position calls for a person who is creative, personable, and flexible.

Additional Information:

The Gradworks Program supports the values of workplace diversity and employment equity. Applications are encouraged from people of Aboriginal ancestry, persons with disabilities, members of a visible minority and women.

How To Apply:

Please apply through the Gradworks website at www.gradworks.ca using your online cover letter and resume, including references.

Your application will not be considered unless you have submitted both a cover letter and resume. The completion date of your post secondary education must be stated in your resume in order to be considered for the position. Please include the month of completion if your education was completed in the current year.
