Gradworks Intern Development Program

The Gradworks Intern Development Program is designed to provide recent post-secondary graduates with challenging and career-focused positions within our network of Saskatchewan employers. These full-time internship positions of 12 months in length are intended to allow recent post-secondary graduates the opportunity to gain experience and to develop specific career-related skills. To be eligible for a Gradworks internship you must be a recent college, technical institute or university graduate, have little or no relevant work experience in your field of study and be eligible to work in Canada.

Internship Description: SaskWater Rate Analyst, Policy and Planning

Assist with cost-of-service and rate design projects including researching rate models, collecting relevant data and analyzing data related to cost-of-service.

Responsibilities:

- Research rate models and best practices
- Data collection and analysis
- Develop spreadsheets and input data for cost-of-service
- Assist staff with standardizing data and related information
- Coordinate new customer rate data for pricing.

Qualifications:

Degree in Business Administration, Commerce, Public Administration, Economics or similar discipline.

- Demonstrated skill in written and verbal communications
- Strong research and analytical skills, detail oriented and the ability to handle multiple tasks simultaneously.
- Extensive knowledge of computer operations including use of word processing, spreadsheets and financial modeling applications.

Additional Information:

The Gradworks Program supports the values of workplace diversity and employment equity. Applications are encouraged from people of Aboriginal ancestry, persons with disabilities, members of a visible minority and women.

How To Apply:

Please apply through the Gradworks website at www.gradworks.ca using your online cover letter and resume, including references. **Your application will not be considered unless you have submitted both a cover letter and resume. The completion date of your post secondary education must be stated in your resume in order to be considered for the position. Please include the month of completion if your education was completed in the current year.**
