**Gradworks Intern Development Program**

The Gradworks Intern Development Program is designed to provide recent post-secondary graduates with challenging and career-focused positions within our network of Saskatchewan employers. These full-time internship positions of 12 months in length are intended to allow recent post-secondary graduates the opportunity to gain experience and to develop specific career-related skills. To be eligible for a Gradworks internship you must be a recent college, technical institute or university graduate, have little or no relevant work experience in your field of study and be eligible to work in Canada.

**Internship Information – Business Analyst Assistant – Infrastructure and Support**

- Will be working in conjunction with SaskTel and TRILabs (<http://www.trilabs.ca/trilabs/>) primarily on two projects – eHealth and IPTV Ecosystem.
- Assisting in the various business processes (research, market analysis, financial analysis, etc) that is involved in the creation and development of these projects.

**Responsibilities:**

- **Project 1: eHealth** - Develop and initiate an eHealth strategy for TRILabs, in conjunction with our charter sponsor SaskTel. The eHealth strategy will identify market sectors where Saskatchewan and SaskTel enjoy a natural or jurisdictional advantage then developing appropriate business and commercialization strategies for those market sectors.
- **Project 2: IPTV Ecosystem** - Develop and initiate an IPTV Ecosystem for TRILabs Saskatchewan, in conjunction with our charter sponsor SaskTel. The IPTV Ecosystem will identify mechanisms whereby a local ecosystem for development of IPTV-based business opportunities, addressed at small market sectors such as Saskatchewan, can be created and fostered.

**Qualifications:**

Degree in Arts & Science (mathematics, statistics, economics) or Business Administration/Commerce

- Very strong command of oral and written English. The intern will be required to create significant amounts of documentation for business purposes and this documentation will often be viewed by external parties. Therefore, high quality is expected and required.
- Business school training or equivalent experience.
- Familiarity with Information and Communications Technology market sector is highly desirable

**Additional Information:**

The Gradworks Program supports the values of workplace diversity and employment equity. Applications are encouraged from people of Aboriginal ancestry, persons with disabilities, members of a visible minority and women.

**How To Apply:**

Please apply through the Gradworks website at [www.gradworks.ca](http://www.gradworks.ca) using your online cover letter and resume, including references. **Your application will not be considered unless you have submitted both a cover letter and resume. The completion date of your post secondary education must be stated in your resume in order to be considered for the position. Please include the month of completion if your education was completed in the current year.**
