Gradworks Intern Development Program

The Gradworks Intern Development Program is designed to provide recent post-secondary graduates with challenging and career-focused positions within our network of Saskatchewan employers. These full-time internship positions of 12 months in length are intended to allow recent post-secondary graduates the opportunity to gain experience and to develop specific career-related skills. To be eligible for a Gradworks internship you must be a recent college, technical institute or university graduate, have little or no relevant work experience in your field of study and be eligible to work in Canada.

Responsibilities:

- The successful incumbent will work in Support Services, a department within TransGas Engineering & Technology. Support Services provides data, mapping, project & material services to SaskEnergy Incorporated and TransGas Limited.
- Assigned projects will support the current Engineering & Technology database initiatives.
- Development of tabular or graphical data
- Application and database research and development
- Technical writing
- Report and query creation
- Information gathering
- Research, graphically develop and accurately locate corporate facilities.
- As instructed, prepare & deliver work assignments to consultants. Upon completion conduct quality assurance.
- Identify & correct pipeline centerline anomalies found within existing map products.
- Participate in developing documents, testing and research for new applications & processes delivered as part of Engineering & Technologies 5 year data plan initiatives.

Qualifications:

- Post secondary education in Geomatics Technology or Computer Aided Design/Drafting Technology or Geographic Information Science for Resource Management.
- Any experience or related knowledge in Relational databases, AutoCAD, Graphical Information Systems, surveying would be an asset.

Additional Information:

The Gradworks Program supports the values of workplace diversity and employment equity. Applications are encouraged from people of Aboriginal ancestry, persons with disabilities, members of a visible minority and women.

How To Apply:

Please apply through the Gradworks website at www.gradworks.ca using your online cover letter and resume, including references. **Your application will not be considered unless you have submitted both a cover letter and resume. The completion date of your post secondary education must be stated in your resume in order to be considered for the position. Please include the month of completion if your education was completed in the current year.**
